

## Special Expansion Cleaning Tools

Work on Electric Eel Mainline Drain Cleaning Machine Models C, D-5, 325, and 800

Electric Eel special 3-bladed expansion cleaning tools are available in 3 sizes: 3"-4", 4"-6" and 4"-8" and are constructed of heavy-duty heat treated steel for longer life.

Blades can be replaced separately for cost savings and the expansion tools all feature the Snap-lock quick connect tool coupling.

Electric Eel Mfg., based in Springfield, Ohio since 1939, produces a full range of drain and sewer cleaning machines including sectional units, drum machines, and a complete line of pipeline inspection systems. Electric Eel's industry leading product quality, service and support includes a nationwide network of sales representatives.
