MODEL N

Cast aluminum inner drum and cable guide to eliminate tangling in the drum

1. Power cord is wrapped around conveniently placed brackets for safe, problem free transport
2. Unique heavy-duty frame design permits Model N to operate from either a 45 degree or horizontal position
3. GFI safety feature comes standard with 20 foot power cord. Air operated foot switch allows the use of both hands when working with cable
4. Rugged 1/3 HP motor delivers plenty of speed cleaning power
5. Newly enlarged drum, holds 75' of dualmatic or 100' of 1/2" continuous cable
6. Cast aluminum bracket with bearing supported guide tube
7. Built-in slip clutch consisting of dual fiber discs provides overload protection for cable and cleaning tools
8. Cable available in convenient 5 ft. sections (dualmatic) with self-feeding action or 1/2" diameter certified music wire with genuine galvanized aircraft wire inner core for longer life
9. Optional 2 wheel cart for east transport, 10" diameter wheels and adjustable handle
10. Variety of cleaning tools available for the toughest jobs, DN-10, DN-11, and DN-12 standard with kit
