

# TOUGH CLOG?

**NEW**

## BEAT IT with the D-5 drum machine!

This rugged drain and sewer cleaner combines professional quality and affordability in a continuous cable drum machine for cleaning 3"-10" diameter lines up to 100 ft.

The high density polyethylene drum and belt guard will not rust or dent and holds up to 100 ft. of 3/4" diameter Tri-Max cable. Three sealed heavy-duty ball bearings support the drum and a thick wall guide tube extends wear. The D-5 is powered by a heavy-duty 1/2 H.P. capacitor-type motor to provide more torque, and the power feed and drum can be quickly removed.
