

### Electric Eel Model R

**Cleans 3" – 6" dia. lines up to 100 ft.**

The compact Model R drain and sewer cleaning machine runs either 5/8" or 3/4" dia. "Tri-Max" inner core cable in lengths up to 100 ft. This unit is ideal in situations with limited working space. The Model R utilizes the same quick connect "snap lock" tool fittings as the Model C.

### Electric Eel Model E

**Cleans 1 1/4" – 3" dia. lines up to 50 ft.**

A professional quality yet affordable drain cleaner for indoor lines up to 50 ft. The Model E is a common and widely rented machine popular with homeowners. The Model E is powered by a rugged 1/3 HP Baldor motor and utilizes both 3/8" and 1/2" diameter cables. A unique inner drum eliminates cable buckling in cage.

### Electric Eel Model Z5

**Cleans 1 1/4" – 3" dia. lines up to 100 ft.**

The Z5 drain cleaner is the newest edition to Electric Eel's complete line of rental tough drain cleaning tools. The Z5 fills the gap for those jobs that require a longer run in smaller drain lines with the market's toughest 1/2" x 75' genuine galvanized aircraft wire inner core cable.

**NEW** Snap-Lock cable  
coupling allows cables  
to connect easier and  
quicker than ever.

### Electric Eel Model C

**Cleans 3" – 10" dia. lines up to 200 ft.**

The original dual cable sectional drain cleaner from Electric Eel has been generating profits for nearly 5 decades in the rental industry. The Model C spins 8 or 10 ft. cables at twice the RPM of that of a continuous cable machine for maximum cleaning power. The Model C is ideal for tougher blockages such as tree roots and for longer runs in main sewer lines.
