Two Cable Choices

Standard Cleaning Tools

Optional Cleaning Tools

Cast aluminum inner drum and cable guide eliminates tangling in the drum

1. Power cord is wrapped around conveniently placed brackets for safe, problem-free transport.
2. Unique heavy-duty frame design permits Model N to operate from either a 45° or horizontal position.
3. Ground Fault Circuit Interrupter (GFCI) safety feature comes standard with a 20 ft. power cord. Easy-to-use air operated foot switch allows the use of both hands when working with cable.
4. Rugged 1/3 H.P. motor delivers plenty of speed cleaning power.
5. **Newly enlarged drum holds 75 ft. of Dualmatic or 100 ft. of 1/2" continuous cable.**
6. Cast aluminum bracket with bearing supported guide tube.
7. Built-in slip clutch consisting of dual fiber discs provides overload protection for cable and cleaning tools.
8. Cable available in convenient 5 ft. sections (Dualmatic) with self-feeding action or 1/2" diameter certified music wire with genuine galvanized aircraft wire inner core for longer life.
9. Optional 2 wheel cart for easy transport, 10" diameter wheels and adjustable handle.
10. Variety of cleaning tools available for the toughest jobs, DN-10, DN-11, and DN-12 standard with kit.
